

CAREER TOOL

The Career Wins Tracker

Don’t just remember what you did. Capture why it mattered.

Use this once a month so you are not trying to reconstruct an entire year before a performance review, promotion conversation, bonus discussion, or resume update. The goal is to turn activity into evidence.

MONTH

ANNUAL GOAL / PRIORITY THIS SUPPORTS

01 / CAPTURE THE WIN

WHAT I DID	WHAT PROBLEM IT SOLVED	BUSINESS IMPACT	WHO BENEFITED / WHO SAW IT

02 / TURN THE WIN INTO EVIDENCE

What changed because of this?

What scope, ownership, judgment, or leadership did I demonstrate?

What feedback did I receive—and what did I do with it?

What level of work does this evidence support?

MONTH-END QUESTION

If someone had to advocate for me using only this month’s evidence, what would I want them to say?
